

AS-224 ABRO STEEL® PRODUCT SHEET

07/2022

STEEL-REINFORCED

Can be used to repair products and parts made of steel, copper, aluminum, cast iron, stainless steel, galvanized steel, brass, bronze, chrome, silver, gold, exotic metals, plastic, fiberglass, epoxy fiber materials, PVC, and more. Ideal for repairs to materials, parts and products where conventional heat welding cannot be accomplished due to the material, location of break, access, or difficulty of disassembling the product or part.

- **Mixes Like Putty, Hardens Like Steel**
- **Can be Drilled, Tapped, Sanded or Filed When Cured**
- **Packaged in Colorful Counter Display, Assorted by Color**
