

GL-5 SAE 85W-140 GEAR LUBRICANT PRODUCT SHEET

10/2023

GL-5 SAE 85W-140

ABRO 85W140 GEAR OIL is multi-purpose extreme pressure gear lubricant recommended for make-up or refill of manual shift transmissions, conventional differentials, rear axles and steering gear boxes as found in passenger cars, trucks and farm tractors, where API GL-5 or MT-1 lubricants are specified. Can be used for make-up of Limited Slip/Positive Traction rear axles. Suitable for use where the following API service designations apply: GL-2, GL-3, GL-4, and GL-5. Always follow manufacturer's recommendations for specific fluid requirements.
