

FOR CELEBRATIONS

ABRO® Carnival Foam can be used for celebrations, carnival, parties, and festivals. Sprays continuously without harming skin and leaves no dust on clothes. Disappears quickly after spraying, limited need for clean-up.

1. Shake well before use.
2. Aim nozzle towards target at a slight angle up. Spray from a distance of at least 6 feet to avoid sticking.
3. In case of malfunction, remove nozzle and clean with a pin or sharp object.

*For more information please contact your
ABRO sales representative.*
