Metal Polish Paste

MP-005

DESCRIPTION

Safe to use on metal surfaces on auto body and around the house. Use on brass, silver, chrome, stainless steel, aluminum, copper, plexiglass, etc. Removes grime, tarnish, rust, and oxidation and brings out the original metallic luster. Specially formulated to leave behind a protective layer that will make the luster last longer.

NOTE: This product contains very efficient abrasives. Test for compatibility in inconspicuous area if unfamiliar with this product. Do not use on plastic or rubber surfaces.

DIRECTIONS

1. Mix well before use. For best results, wash, rinse and dry surface before application.
2. Take a small amount of product onto included foam applicator or soft cloth and gently rub onto metal surface to polish.
3. Wipe off with clean microfiber towel.
4. If surface is heavily tarnished, apply gentle pressure while rubbing, increasing pressure as necessary.

PACKAGING

- 12 pcs/case
