ABRO Industries, a Global Leader in Automotive Aftermarket Products, is proud to announce an association with AutoZone, the leading retailer and distributor of automotive replacement parts and accessories. This collaboration marks a significant milestone in ABRO's commitment to expanding its market reach and providing high-quality products to a broader customer base in the United States.

As part of this association, ABRO Industries will serve as an official vendor for AutoZone, initially offering our renowned Masking Tape range to customers across AutoZone's robust e-commerce platform as well as select stores through AutoZone's extensive network of over 6,500 retail outlets. The ABRO Masking Tape selection available at AutoZone will begin with our **Blue Painters Tape, Professional-Grade Masking Tape, and General-Purpose Masking Tape.**

ABRO's Masking Tape products are recognized for their exceptional quality, durability, and versatility, making them indispensable tools for painting, automotive detailing, and various household applications. Whether it's precision painting jobs or everyday masking needs, ABRO Masking Tape delivers reliable performance and superior results.

The availability of ABRO Masking Tape at AutoZone represents just the beginning of an exciting collaboration between the two companies. ABRO Industries looks forward to expanding its product offerings through AutoZone's extensive retail network, providing customers with access to a comprehensive range of automotive maintenance and repair solutions.

Sincerely,
ABRO INDUSTRIES, INC.
